**Bringing a Personal Service, by Our Chef to Your Home!**

Traveling Chef was founded in 2020 by well-travelled and experienced Chef Rutendo Marovatsanga who is only 27 years old and Goodmore Madombi who has over 20 years in the hospitality industry and both are extremely passionate about food and innovation.

We are extremely passionate about food, cook from the heart and customer service is our number one priority.

We feel extremely fortunate to have a company and absolutely love doing what we do, creating opportunities for chefs to individually showcase their skills by preparing fantastic food for special events and creating amazing unforgettable memories.

Finally giving the chefs the recognition and credit, they deserve as they give personalised service.

*'Food is a Universal Language'*

## Our Driving Power

We noticed a big gap in the hospitality sector especially when it came to fine dining and a concern when it comes to dining in public restaurants. Just like in a plane, you don't get to see the Captain and his co-pilot but you just trust that you will arrive and this is the feeling that most diners get when they visit a restaurant, you never get to see the chef and also find it difficult to get personal service or attention. Also, with the Covid pandemic a lot of families are no longer comfortable to go out to restaurants and we are now bringing the restaurant to our client's homes.

Our concept allows our trained chefs to turn your house into a restaurant with a Personal Chef who will prepare breakfast, lunch or dinner in your kitchen and in the comfort of your home. The client will be able to personalise every detail of what they want to eat. Our Personal Chefs will analyse the client's request and send them their proposals and we will then buy the ingredients online and have them delivered to the client's home or pick up from a selected location that will be arranged depending on location .Tailor Cooked For You.

# TESTIMONIALS

## Winslow Tavern

First and foremost, Ruth is hardworking, skilled and reliable. She was a key kitchen staff member for us who consistently delivered high quality on the line.

Ruth was consistently on time, prepped and ready to work and was eager to assist in any way to make the kitchen function most effectively. I enjoyed working with Ruth and would welcome the opportunity to work with her again in the future. I wish her continued success.

## Reuben's Restaurant & Bar

Rutendo Marovatsanga was employed as a Front of House restaurant Manager.

Ruth is highly skilled in working on Pilot POS, Microsoft office suite and Dineplan. She is well spoken, educated and takes initiative. Furthermore, she is reliable and dependable, she has an accommodating demeanor dealing with her clients, I would most certainly have her on my team again should the opportunity arise.

## Village Unhu

Village Unhu is situated in Harare and operates as a gallery for exhibitions for contemporary art and artists.

Ruth worked hand in hand with myself creating meaningful and fun programs, improving in areas lacking.

She was a key asset during the residency programs and was instrumental in the renovation of the new veranda bar and restaurant.

We highly comment and support Ruth.
